Please fill in the following application form with all information and documents required. Any mistake/error, intentional or not, in filling in this form will lead to the rejection of the application and to the immediate exclusion from the project, without any possibility of appeal.

10. Documents upload

In case a document is considered mandatory by the Programme it must be included online. If a candidate fails to do so the application will be immediately rejected without any possibility of appeal. Each uploaded document must have a maximum size of 1 MB. Each applicant is entirely responsible for checking the uploaded documents' validity and integrity. Should any of the mandatory documents be corrupted/damaged, the application will be invalidated.

Each field accepts only one document. If you wish to upload more than one document in the same field, first you have to merge those documents into a single one.

PDFBinder is a simple tool to merge several PDF documents into one. You can use the following link:

<https://smallpdf.com/tr/merge-pdf>

Before starting your application, make sure you have all the required documents you will have to attach to your application and in a PDF format and reduced size. The size limit for each uploaded document is 1MB. Applicants are requested to reduce the size of the PDF documents before uploading them.
