The Parties hereby agree to change the Contract named above, by modifying the arrangements in article 17 and the points of the contract, as follows:

### 17. Final Degree and Recognition

The degrees delivered within emiSS are recognized by all participating partners. All degrees are accredited by the respective national authorities. The program curriculum has been defined and approved by all consortium members. If any changes occur, the Executive Board must be informed of the modification of the Master program and decide of what happen next. All members of the consortium have identified and validated the requirements for the courses and the compatibility between all mobility tracks as well as the eligibility for conferring the multiple degrees (i.e. at least two diplomas awarded by two higher education institutions from different countries, of which at least one must be a Programme Country) and one diploma supplement (signed by all consortium members) per mobility track. The consortium universities will try to find possibilities to give a joint degree (i.e. one single diploma awarded by at least two HEIs from different countries, of which at least one must be a Programme Country) or a combination, if the regulations of the HEIs allow it in the future.

#### 17.1 An Erasmus Mundus (emiSS) student will receive a UAK diploma if:

- a. Completed at least one semester at UAK and obtained a minimum of 30 ECTS points,
- b. She/he will show other subjects necessary to complete the learning outcomes, in accordance with the 2<sup>nd</sup> degree soil science study program at the Faculty of Agriculture and Economics of the UAK.
- c. She/he will provide a transcript of records to UAK after each completed semester, up to 15 days after the end of the semester.
- d. The university issues the Diploma Supplement in Polish, and at the students request also in English.

**17.2. An Erasmus Mundus (emiSS) student will receive an OMU diploma if:**

- a. The students must complete 60 ECTS (fall semester 30 ECTS + Spring Semester 30 ECTS) courses in the first academic year, and 60 ECTS (fall semester 30 ECTS + Spring Semester 30 ECTS) thesis (dissertation) studies in the second academic year.
- b. The internal regulations for MSc degree approved by the Graduate College at OMU are valid in this programme.
- c. The students should provide a transcript of records to OMU after each completed semester, up to 15 days after the end of the semester.
- d. The university issues the Diploma and Diploma Supplement in Turkish and English.

**17.3. An Erasmus Mundus (emiSS) student will receive an AU diploma if:**

- a. Completed at least one semester at AU and obtained a minimum of 30 ECTS points,
- b. She/he will provide a transcript of records to AU after each completed semester, up to 15 days after the end of the semester.
